Claims procedure

In the event of a home emergency:

1. please telephone 0330 303 1538 (lines are open 24 hours a day, 365 days a year) as soon as possible, providing us with your name, address, postcode, and the nature of the problem
2. we will record your details and then decide on the best course of action to limit your loss and/or repair the damage. If the incident relates to an emergency covered under this policy, we will instruct a member of our emergency contractor network. Poor weather conditions or remote locations may affect normal standards of service
3. if you are claiming for alternative accommodation costs you must obtain our authority to incur costs before booking somewhere to stay. You will have to pay for the accommodation when you check out and send your receipt to us to be reimbursed
4. it is important you notify us as soon as possible of any claim, and do not call out your own contractors as we will not pay their costs and it could stop your claim being covered

5. you must report any major emergency which could result in serious damage to the home or injury, to the Emergency Services or the company that supplies the service
6. your call may be recorded for training and security purposes and will be answered as soon as possible.
