How much cover do You need?

While **Your** insurance advisor can guide **You**, it is **Your** responsibility to make sure that the amount of insurance cover **You** buy represents the full value of **Your** property.

For **Buildings** cover the value must represent the full cost of rebuilding the **Buildings** including any extra costs that may be involved such as demolition, architect's and surveyor's fees and any additional costs in meeting local authority requirements.

For Contents and Personal Possessions the value must represent the full cost of replacing all the property at current replacement value, other than clothing and linen where We may make a deduction for wear and tear and the resultant loss in value.

The maximum amount that **We** will pay in the event of a claim is the **Sum Insured** so it is very important that **You** insure **Your** property for the full amount of its value.

Property maintenance

It is **Your** responsibility to maintain and look after **Your** property. **Your** Policy is intended to provide **You** with cover against events that are sudden and unforeseen, for example fire or flood. It will not cover **You** for damage that happens gradually over time like damp, or rot, or for damage caused by wear and tear, or for general maintenance costs such as repairs to defective rendering or general roof repairs.

Extreme weather and storms

We consider a storm to be strong winds of over 47mph which will sometimes be accompanied by rain, snow or hail. Heavy or persistent rain on its own is not a storm unless it is a torrential downpour with over an inch of rain in a one hour period (or a proportionate amount in a shorter time of the same proportion). Buildings that have been maintained in a sound condition will withstand all but the most extreme weather. It is Your responsibility to ensure Your property is maintained in a good state of repair.

If You are claiming for storm damage We will ask You to provide Us with the date of the damage and show Us how the conditions caused the damage to the Home. We may appoint a specialist to inspect the Home or ask You to provide Us with a report by Your appointed contractor.

Contracts (Rights of Third Parties) Act 1999

A person who is not a party to this insurance has no right under the Contracts (Right of Third Parties) Act 1999 to enforce any term of this insurance. This shall not affect any right or remedy of a third party which exists or is available apart from this Act.
