As a Motor Caravan Plus Insurance policyholder you have access to MC Assist – a freephone number offering help and assistance in the United Kingdom, the Channel Islands and the Isle of Man and operating 24 hours a day, 365 days of the year. If you have an accident or loss whilst abroad, you should contact our helpline on **+44 161 866 4114**

How to claim

If you wish to make a claim, phone MC Assist and a Personal Incident Manager will record details of the incident and will be able to confirm:

- Whether your policy covers you for the incident
- Any excess that you will have to pay
- All the steps involved in the process of making a claim

You will be sent a statement of fact and contacted by your personal incident manager to confirm the details that you have already provided to MC Assist. All you need to do is add any relevant information, check and sign it.

If you are involved in an accident, phone MC Assist and if the incident is covered we will arrange for:

- Your vehicle to be recovered
- A safe passage home for you and your passengers
- Your Personal Incident Manager to talk you through the claims process

If the incident is not covered under your policy we can still arrange to assist you, however a charge will be made.

If you have selected Motorcaravan Plus Gold Plus and you require breakdown assistance, again call MC Assist and we will arrange for the RAC to be with you as soon as possible.

Important

When telephoning MC Assist, please have your vehicle registration number ready. This will enable your Personal Incident Manager to find your policy records quickly and provide the level of service you expect. For our joint protection, calls may be recorded and/or monitored.

For information on driving abroad and what to do in the event of a breakdown abroad, please refer to pages 15-16, and 18-20 of this policy.

Contract of Insurance

This policy is a contract of insurance between **you**, the **policyholder** and **the insurer**, Aviva.

In return for payment of the premium by **you**, **we** will provide insurance in accordance with the policy cover shown in the schedule in respect of accident, injury, loss or damage occurring within the **territorial limits** during the period of insurance.

The following elements form the contract of insurance; please read them and keep them safe: Policy booklet, information on your application and/or statement of fact document, **policy schedule** and any **clauses** in your **policy schedule**, **certificate of motor insurance**, changes to your policy contained in notices issued at renewal. Please keep a record (including copies of letters) of any information **you** give to **the insurer** or Motor Caravan Plus Insurance.

Our provision of insurance under this policy is conditional upon **you** observing and fulfilling the terms, provisions, conditions and clauses of this policy.

Important Notice – Information and changes we need to know about

You must take reasonable care to provide complete and accurate answers to the questions **we** ask when **you** take out, make changes to, and renew your policy.

Please tell Motor Caravan Plus to let **us** know if there are any changes to the information set out in the application form/Statement of Fact, **certificate of motor insurance** or on your **policy schedule**. You must also tell us about the following changes:

- A change to the people insured, or to be insured.
- Motoring convictions [driving license endorsements, fixed penalties or pending prosecutions for any motoring offences] for any of the people insured, or to be insured.
- Criminal convictions for any of the people insured, or to be insured.
- A change of vehicle.
- Any vehicle modifications.
- Any change affecting ownership of the vehicle.
- Any change in the way that the vehicle is used.

If you are in any doubt, please contact Motor Caravan Plus.

When **we** are notified of a change, **we** will tell Motor Caravan Plus if this affects your policy, for example whether **we** are able to accept the change and if so, whether the change will result in revised terms and/or premium being applied to your policy.

If the information provided by **you** is not complete and accurate:

- **we** may cancel your policy and refuse to pay any claim, or
- **we** may not pay any claim in full, or
- **we** may revise the premium and/or change the compulsory excess, or
- the extent of the cover may be affected.

Your Cancellation Rights

You have a statutory right to cancel your policy within 14 days from the day of purchase or renewal of the contract or the day on which **you** receive your policy or renewal documentation, whichever is the later. If **you** wish to cancel, **you** will be entitled to a full refund of the premium paid. Victor Milwell Insurance Agency Ltd will make an additional charge of £25 to cover the administrative cost of providing the policy.

Alternatively, if **you** wish to cancel and the insurance cover has already commenced, **you** will be entitled to a refund of the premium paid, subject to a deduction for the time for which **you** have been covered. This will be calculated on a pro-rata basis for the period for which **you** received cover and Victor Milwell Insurance Agency Ltd will make an additional charge of £25 to cover the administrative cost of providing the policy.

To exercise your right to cancel, please contact your insurance broker as shown on your policy schedule.

Section VII

Emergency treatment

We will reimburse any person using any vehicle which is covered under this policy for payments made under the Road Traffic Acts for emergency treatment.

Vehicle recovery in the event of illness

If the permitted driver of **your motor caravan** as shown on your **certificate of insurance** is taken seriously ill requiring treatment from a qualified medical practitioner and cannot continue their journey, **we** will transport **your motor caravan** to your home or single address anywhere in Great Britain, Northern Ireland, the Channel Islands and the Isle of Man

A medical certificate must be produced prior to the provision of this service.

A claim solely under this section will not affect your no claim discount.

Section VIII

Where a claim has been made which is not your fault and **we** have to make a payment, **we** will reduce your no claim discount unless **we** can recover all sums **we** have paid from those responsible, except where the accident was not your fault and the driver who caused it was uninsured and **you** have provided **us** with:

Note

We will not reduce your no claim discount where the only payments made are for:

- emergency medical treatment under the **Road Traffic Acts** and Vehicle recovery in the event of illness as provided under Section VII – Emergency treatment
- repairing or replacing glass in **your motor caravan's** windscreen or windows (or for any scratches on the bodywork caused directly by the broken glass).

Third parties may claim directly against **us** as insurer in the event of an accident involving **your motor caravan** as permitted under the European Communities (Rights Against Insurers) Regulations 2002. In these circumstances **we** will deal with any claim, subject to the terms and conditions of your policy. This may effect your no claim discount.

You are reminded of your responsibilities to report any accident, loss or damage to **us** as soon as possible so we can tell you what to do next and help resolve any claim.

There is no cover for countries outside the **territorial limits**. We may, however, be prepared to extend cover to certain places by special request, in which case **we** will provide **you** with a **Green Card** and an additional premium will be required. **Motor Caravan Plus Insurance** can provide **you** with our Driving on the Continent information sheet.

Section XI (ii) Continental Breakdown

Continental breakdown and accident recovery

This section provides breakdown cover and accident recovery for the territorial limits of the policy excluding Great Britain, Northern Ireland, the Channel Islands and the Isle of Man, although the breakdown service will be provided if you are on route to or from a port immediately prior to or subsequent to travelling abroad.

Cover is provided in the specific instances below by RAC Motoring Services and/or RAC Insurance Limited and is subject to an overall limit of £2,500.

RAC will arrange for the following:

- (a) If your vehicle breaks down, or
- (b) Is disabled as a result of an accident covered under Section 1 of your policy whilst being driven by you or

 - as a result of a road accident, fire or theft within seven days before your departure, your vehicle cannot be repaired or recovered (in the case of theft) in time for the journey; or
 - your vehicle breaks down on the way to the port you are leaving from and RAC confirms that it cannot be repaired the same day. Please note that any hired vehicle provided in the UK cannot be taken abroad. Once you are abroad the cover stated under section 'Whilst you are abroad' will be provided.Whilst you are abroad:
- emergency roadside assistance up to a maximum of £175 (not including the cost of any parts). If your vehicle cannot be repaired immediately it will be taken to a nearby garage. In the event of a breakdown we will pay either:

- the cost of spares or parts, petrol, oil, keys or other materials and garage labour
- any vehicle that cannot be recovered by normal trailers or transporters
- breakdown due to lack of oil or water, frost damage, rust or corrosion, or unserviceable/unroadworthy tyres.
- the transportation of any vehicle or trailer that contains horses or livestock
- the cost of any self-drive car hire collection charges
- any cost arising from an incident not reported to our control centre
- the cost of any meals or any other extra hotel costs
- any vehicle which is carrying a dangerous or illegal load.

Section XI (ii) (cont.)

- onward transportation, if your vehicle cannot be repaired within 12 hours, we will provide you with a replacement car to enable you with up to 14 days self-drive car hire (including collision damage waiver, delivery charge and Green Card if required), or we will pay for standard/second class rail or both, so that you and up to 7 passengers are able to continue your journey or return home. Any hired vehicle cannot be brought into the United Kingdom, as we will arrange for a second hire vehicle, costs for which are limited to £250, to get you home once you return to the United Kingdom. RAC will use its best endeavours to find a vehicle of similar, but not exact, specification as your own vehicle to ensure that you can carry the same number of passengers and amount of luggage. Please be aware that this may not be of an exact specification – replacement motor caravans can often be difficult, if not impossible, to locate.
- a replacement driver, if a registered doctor declares the only qualified driver is medically unfit to drive and there are no passengers who can legally drive the car to complete the journey. In these circumstances it will be at the discretion of RAC whether a replacement driver is provided, to enable you to reach your destination or return home.
- repatriation of the vehicle to your home address or your nominated repairer in Great Britain, Northern Ireland, the Channel Islands or the Isle of Man, if your vehicle cannot be repaired before the end of your holiday period, subject to the cost of the repatriation not exceeding the market value of your vehicle.
- emergency repairs to make your vehicle secure again if the windows, windscreen or locks of your vehicle have been damaged by somebody trying to break into it. In this instance you must obtain a police report.
- passing an urgent message from our control centre to your relatives or a close business colleague if your vehicle cannot be moved as it has broken down or been in an accident, damaged by fire or stolen.
- if your vehicle cannot be reasonably repaired as a result of fire or theft which has happened abroad during the journey and it has to be scrapped under Customs supervision in the

country where it is situated, or it has been stolen abroad during the journey and has not been found, we will pay indemnity against Continental or Irish Customs claims for any liability for duty claimed. This does not include any import duties that do not relate to your vehicle. Whilst you are abroad RAC may, at its discretion, offer you or any permitted driver:

- overnight accommodation expenses for the driver and passengers up to £35 per person per day, subject to an overall maximum of £560 in total. This does not include, however, the cost of meals or drinks.
- If you are intending to camp but your tent is stolen or accidentally damaged so that you cannot use it, we will pay up to £35 per person each day towards accommodation expenses to a total of £560 or, in certain circumstances, authorise the cost of a replacement tent. This does not include any damage to your tent caused by weather conditions, or any cost if your tent was stolen and you do not get a police report.

If we have agreed to an extension of the territorial limits and you have been issued with an international motor insurance card (Green Card) the breakdown cover outlined above is extended to apply to these countries, but only for the period shown in the Green Card. In providing breakdown assistance RAC employees and contractors will use reasonable care and skill when providing the service. RAC can, however, cancel services or refuse to provide them if, in their opinion the demands made are excessive, unreasonable or impractical. We will provide emergency assistance by one of our contractors in the event of vehicle breakdown, accident, fire or theft, or when the only qualified driver is unfit to drive. This cover applies in any country within the territorial limits or any other country where we have agreed to an extension of cover and have issued you with a Green Card. Every effort is made to ensure a quality service is provided in Eastern European countries but this may not necessarily be of the same standard as in Western Europe. The situation varies from country to country but time delays may occur, telephones are sometimes not available, garage facilities may be inadequate, spare parts are often not available, etc. You should also be aware that unleaded fuel may not be widely available.

 - a. earthquakes
 - b. riot or civil commotion occurring elsewhere than in Great Britain, Northern Ireland, the Isle of Man or the Channel Islands
6. Death or bodily injury to any person or damage to property caused by pollution or contamination unless the pollution or contamination is directly caused by a sudden identifiable, unintended and unexpected incident during the period of insurance. **We** treat all pollution and contamination arising from one incident as having happened at the time of the incident. general

conditions

general exclusions apply to the whole of your policy

Claims procedure

1. As soon as reasonably possible after any accident, injury, loss or damage, **you** or your legal personal representatives must telephone **us** giving full details of the incident. Any communication **you** receive about the incident should be sent to **us** immediately. You or your legal personal representatives must also let **us** know immediately if anyone is to be prosecuted as a result of the incident or if there is to be a fatal injury enquiry
2. **You**, or anyone else claiming under this policy, must not admit to any claim, promise any payment or refuse any claim without our written consent. If **we** want to, we can take over and conduct in your name, or in the name of the person claiming under the policy, the defence or settlement of any claim or take proceedings for our own benefit to recover any payment we have made under this policy. **We** shall have full discretion in the conduct of any proceedings or the settlement of any claim. The person who is seeking payment under this policy shall give **us** all the information and assistance necessary for **us** to achieve a settlement.

Cancellation

3. Following the expiry of your statutory cooling off period, **you** continue to have the right to cancel your policy at any time during its term. If **you** wish to cancel, **you** will be entitled to a refund of the premium paid subject to a deduction for the time for which **you** have been covered.

It is drawn to your attention that short period premium rates will apply during the first year of your policy, on the basis of the table shown below:

Period not exceeding	Percentage of annual premium charged
One month	25%
Two months	30%
Three months	40%
Four months	50%
Five months	60%
Six months	70%
Seven months	80%
Eight months	90%
Over eight months	100%

If **you** decide to cancel after the first year of your policy **you** will be entitled to a refund of the premium paid, subject to a deduction for the time for which **you** have been covered. This will be calculated on a pro-rata basis for the period for which **you** received cover, and Victor Milwell Insurance Agency Ltd will make an additional charge of £25 to cover the administrative cost of providing the policy.

If a claim (other than windscreen claim not exceeding £1,000) has occurred during the period for which **you** received cover then no return premium will be made.

We (or any agent **we** appoint and who acts with our specific authority) may cancel this policy by sending 7 days notice to your last known address. **You** will be entitled to a refund of the premium paid subject to a deduction for the time for which **you** have been covered. If **you** do not pay the premium (or any part of the premium under the payment option **you** have chosen) by the due date, **we** may cancel this policy with effect from the end of the last period for which a payment has been made.

You must also return your **certificate of motor insurance** immediately following cancellation.

Additional Covers – Refund of Premiums

4. If **you** have purchased additional cover options with this policy, a refund may not be available on those additional covers if they are subsequently removed after the statutory cancellation period.

Other insurance

5. If at the time of any claim arising under this policy there is any other insurance policy covering the same loss, damage or liability, **we** will only pay our share of the claim. This condition does not apply to personal accident benefits under Section III which will be paid under that section.

This provision will not place any obligation upon **us** to accept any liability under Section II which **we** would otherwise be entitled to exclude under Exclusion 1. to Section II.

Your duty to prevent loss or damage

6. **You** shall at all times take all reasonable steps to safeguard **your motor caravan** from loss or damage. **You** shall maintain **your motor caravan** in efficient condition and we shall have, at all times, free access to examine **your motor caravan**.

Arbitration

7. Except for claims under Section III, where **we** have accepted a claim and there is disagreement over the amount to be paid, the dispute must be referred to an arbitrator to be agreed between **you** and **us** according to the law at the time. When this happens, a decision must be made before **you** can take any legal action against **us**.

Your duty to comply with policy conditions

8. Our provision of insurance under this policy is conditional upon **you** observing and fulfilling the terms, provisions and **clauses** of this policy.

Fraud

9. If any claim is in any way fraudulent or if **you** or anyone acting on your behalf has used any fraudulent means, including inflating or exaggerating the claim or submitting forged or falsified documents, all benefit under this policy shall be forfeited.

Payments made under compulsory insurance regulations and rights of recovery

10. If the law in any country in which this policy operates requires **us** to settle a claim which, if this law had not existed, **we** would not be obliged to pay, **we** reserve the right to recover such payments from **you** or the person who incurred the liability.

Direct right of access

11. Third parties may contact **us** directly in the event of an accident loss or damage as allowed under the European Communities (Rights Against Insurers) Regulations 2002. In these circumstances **we** may deal with any claim, subject to the terms and conditions of your policy.

Change of storage location

12. You must tell us immediately if you are intending to store **Your Motor Caravan** for a period in excess of 36 hours at an address other than the storage address disclosed to **us**. This will not apply if you are using **Your Motor Caravan** at the time. If you fail to notify us of any such change of storage address your policy may be voided or any claim may be declined.

Change of circumstances

13. **You** must tell us immediately if any motor caravan which is insured in your name belongs to anyone else or is being used regularly by another person. **You** must also notify us if **your motor caravan** is up for sale at premises other than your own address.

Mileage

14. **We** reserve the right to establish the mileage on **your motor caravan** at any time where your policy has been rated on a selected annual mileage. Where the annual mileage has been exceeded your premium will be increased to that which applies to that mileage. If **we** become aware that the annual mileage has been exceeded at the time of a claim the additional premium will be deducted from the claim payment. The higher premium will apply from the commencement of the period of insurance.

Security devices

15. If the premium for **your motor caravan** has been based on the vehicle being fitted with an approved security device, evidence of the competent installation of the device will be required if a claim is notified. In the case of tracking devices, evidence of a current air-time agreement will be required

Long Term Touring & Full Timing

16. This policy is subject to the following conditions:
Policyholders must maintain a full UK residence, either through ownership or long term rental agreement (of at least 9 months) unless a full-timing rate has been agreed and paid.

The address shown on the Schedule must be the one at which the policyholder is on the electoral roll, (unless a full-timing rate has been agreed and paid) and also the one that appears on the driving licence and vehicle documentation.

The motor caravan must at all times have a valid MOT certificate (unless not required due to age of the vehicle) and current UK road fund licence & tax disc.

Should a copy of a utility bill (as evidence of residence at the address) be requested at any time (inception, mid-term, renewal, in the event of a claim) then one must be provided.

Important Notice – Information we need to know about

17. **You** must take reasonable care to provide complete and accurate answers to the questions **we** ask when **you** take out, make changes to, and renew your policy.

If the information provided by **you** is not complete and accurate:

- **we** may cancel your policy and refuse to pay any claim, or
- **we** may not pay any claim in full, or
- **we** may revise the premium and/or change the compulsory excess, or
- the extent of the cover may be affected.
